Conduct Guidelines

1. Go as a servant and representative of Jesus Christ and adopt that attitude when dealing with fellow team members.
2. Respect the authority of the team leaders and abide by their decisions and instructions on this mission trip.
3. Do not bring/use tobacco, alcoholic beverages, magazines, fireworks, pornography, or any illegal substances at any time during this mission trip.
4. Refrain from meddling, complaining, and using obscene language or insensitive humor.
5. Adhere to the dress code established for the trip.
6. Make sure a mission leader knows where you are at all times. You should NEVER wander off alone on the trip.
7. Understand that mission trips can be difficult and promise to adopt a flexible attitude, as plans may need to be changed.
8. Interact with all members of your team, not just those members that you knew or were friends with before the trip.
9. This is not a “dating trip.” Team members are not to engage in romantic activities such as hand-holding, kissing or any other public displays of affection.
10. Refrain from any other behavior or activity that would hinder your ministry or the ministry of your team during the time of your service.

If an offense warrants it, students will be sent home immediately at the expense of the parent/guardian.
