Our 20/20 Vision

We have watched in amazed awe as the Lord has taken the dreams of a faithful few in 2006 and grown The Sanctuary Fellowship into what it is today. Now, we are faced with the exciting opportunity to establish ourselves at a more permanent location with our eyes set on decades of future ministry. As God has been faithful to bring us to where we are today, we know He will be faithful as we commit our plans to Him.

We are convinced that God has a unique plan for TSF to reach people all over Ft. Bend County and the world with the Gospel. We know that we have been given a unique ministry of prayer and care for those who are hurting and wounded. We have had years of a powerfully effective children's and student ministry that promises to expand in the years to come.

Amazed at what the Lord has done, we are overwhelmed at the thought of what he might yet do at TSF. There are thousands around us who do not know Jesus, who have never had a loving church home, who have never known community, that the Lord wants us to reach. There's a multitude of seasoned prayer warriors, Bible teachers, leaders, elders, preschool teachers, college ministry leaders and other servants that the Lord intends to bring our way to partner with us in dynamic ministry.

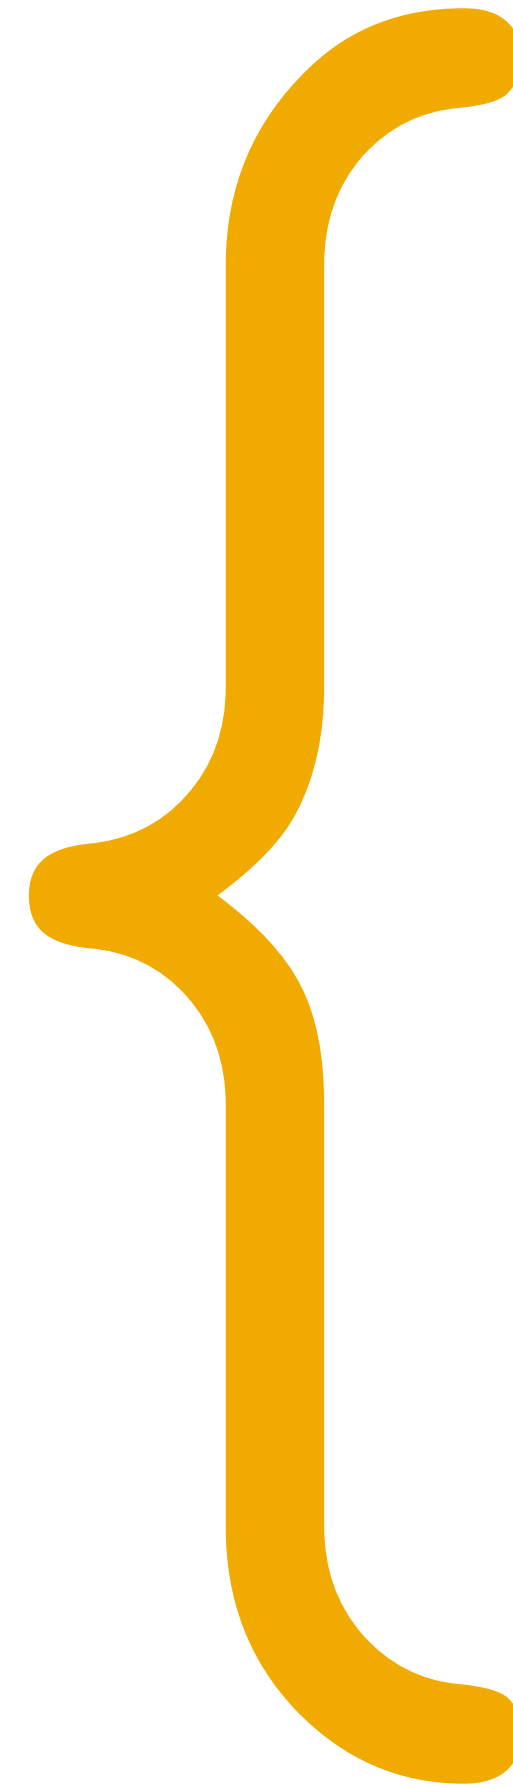

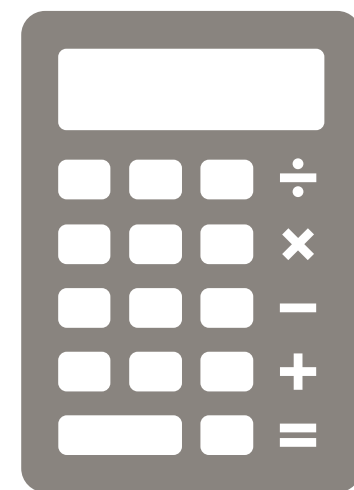

We are talking with land and building owners, discussing finances, and seeking the Lord's face for the future of TSF. The time has come for The Sanctuary Fellowship to leave a legacy. We are already impacting thousands with the Gospel, ministering to families, the hurting, the seeking and the saved. We want to insure that we leave a legacy of ministry that continues the great work of God here for generations to come.

Consider this your invitation to join us in looking ahead. Join us in seeing what great things the Lord has in store for us. Join us in prayer and preparing and planning. Join us in sacrificially giving so our place can be secured and our legacy will outlast us into the glorious future God has for those yet to come to TSF! Join us in the Legacy Vision of God's Kingdom work at The Sanctuary Fellowship!
