2021 Mexico Mission Trip FAQs:

Who will drive to Mexico?

Each person is responsible to get there. We will caravan together for those who want to. We encourage carpooling! Each vehicle is responsible for gas and any necessary insurance coverage for use in Mexico.

Do I need a passport?

No- because we will be within 15 miles of the border, you do not need a passport. Each person over 16 yrs old will need to have a valid ID/Drivers license and their BIRTH CERTIFICATE OR COPY OF THEIR BIRTH CERTIFICATE.

Can my family go?

Absolutely! Anyone is welcome to go with us, but keep in mind that we will be working while we are there. Each family would be responsible for their children throughout the entire trip.

What will we do while at Big Heart?

TBD, and we are looking to hear from you and other team members re: what we might do. We have identified some construction and children's ministry projects that we know we will be doing. Other than that- get ideas to us ASAP and we'll discuss what we can do! Start the conversation about your ministry ideas with us by email to info@tsf-church.com; SUBJECT- Big Heart Idea.

What do I need to take with me?

A willingness to work hard. A heart to love the people, children and staff at Big Heart Orphanage. A desire to take the Gospel to "the least of these." Clothes to work and play in. Some extra \$\$\$ for any small personal expenses. A flexible, team-oriented mindset ready to serve in the name of Jesus!
