

# September in TSF Kids

## Resources to GROW

This month, our church is focusing in on the importance of growing in our faith!

Week 1- download the Habits app for kids to track their spiritual habits

Week 2- a podcast from David Platt on growing in faith as a family

Week 3- a video encouraging the spiritual growth of your families

Week 4- a podcast on training your kids in the way they should go

**In Season:** a four week series on the Psalms.

### **SERIES OVERVIEW:**

Each season—fall, winter, spring, and summer—brings something unique and wonderful. From leaves changing colors to flowers blooming or animals hibernating, the changing seasons remind us that no matter what, God is with us through it all. In this 4-week series, kids will discover how we can respond to God in every season of life.
