The word “gospel” literally means _____.

Fill in the words as you hear the 3 circles presented again. Write in any notes or reminders as you go.

Reminders from the video

We need to clearly explain:

Repent means to _____ or change direction.

Believe means to _____ or put our _____ in the person and work of _____.

Gospel is simply: Jesus _____ for our sins, He was _____ and God _____ Him from the dead.

Prayer is a major part of sharing our faith

Discussion: Why do you think prayer is the starting point for reaching people with the gospel?

Read 2 Corinthians 5:19, John 6:44, John 14:14, and 2 Peter 3:9.

Questions:

What do these passages teach us about God's role in salvation?

Why is prayer essential before we try to share our faith?

How does prayer align our hearts with God's heart for people who are far from Him?

Write down the names of four people you know personally who have yet to repent and believe the gospel. The four people should be a family member, a friend, a neighbor or coworker and that one person who you would say will “never” repent and believe. This is the most far from God (FFG) person you know!

God transformed Saul into the Apostle Paul, who would become one of the greatest missionaries in history. Through Paul's ministry and the faithful work of those he equipped, the gospel spread throughout the province of Asia so that "all the residents of Asia, both Jews and Greeks, heard the word of the Lord" (Acts 19:10). God specializes in reaching the people we might consider the least likely to believe.

Pray daily for these people.
