Series Overview

Racers, start your engines! In a race, you might need to navigate obstacles, pit stops, and tight turns in order to stay on the right track. As you're zooming through the track there's so much to think about, and it can be hard to stay focused on what's most important! In this four-week series, we'll learn some important stories from Joshua about how obstacles are no problem for God and courage comes from knowing God's words.
